

FRIDAHAG · MINI GIFT BAG

Finished body: 60 × 30 × 110 mm. Print at 100% / Actual size.

Solid = cut · Dashed = fold · Grey = side glue tab

1. Cut around the net and the three short cuts in the top strip.
2. Score all dashed lines. Fold the four top hems inward and glue.
3. Form a rectangular tube; glue the grey tab inside the first panel.
4. Fold short bottom flaps inward, then glue the broad flaps over them.
5. Let dry. Add a tag with a small clip, or leave the top open.

Make a plain-paper test first; physical assembly has not been tested.
